**RESUBMISSION OF RESPONSE**

Honorable Director of Patents and Trademarks

P.O. Box 1450

Alexandria, VA 22313-1450

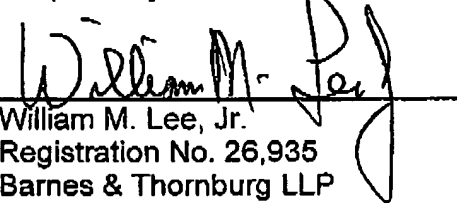

Dear Sir:

Following this paper is an after final response that was faxed-filed with the Patent and Trademark Office on August 25, 2005. Included is the certificate of fax filing and a receipt showing that the document was properly received by the Patent and Trademark Office. Something must have happened at the Patent and Trademark Office on August 25, 2005 since another document sent by the undersigned on the same date suffered the same fate - - it does not appear in PAIR, although being properly received.

The document is thus being resent and the Examiner should note that the response was properly filed within two months following the date of the final Office Action, and should therefore be accorded that status when the Examiner acts on it.

September 28, 2005

Respectfully submitted
